Hello and good morning Mark. I have left you a voice message, however due to the timing of receiving your information on the project I have not had the time to review the documents you have submitted. I am proposing a meeting on Wednesday instead, and my entire morning is open, hence the 3 hour window to select whatever time may work best for you. I hope this will work for you, and this should allow me the time to at least go over what you have provided so we can maximize our time and energy on what needs to happen next. Just a little FYI I commute about 80 mi to work from Sacramento to the San Fran, so normally I am available from 6am-230pm or so.

Thank you.
